

CALL FOR ABSTRACTS

Submission Opening Date: 22nd May 2017
Submission Closing Date: 31st August 2017

Submission of Abstracts is now open and the Executive are calling for presentations that share your achievements and learnings in meeting success. Proposals will be selected based on relevance, scientific quality and content area.

Presentation Types

- Oral Presentation: 20 minute presentation, including 5 minute question time.
- Poster Presentation: Will be displayed for the duration of the conference with an allocated time for presenting author to be available for queries.

All presentation types require an abstract to be submitted as follows:

- Abstracts should be a maximum of 300 words
- Abstract title should be a maximum of 20 words
- Submitting authors will be notified of the results of the review of abstracts by: September 2017
- All abstracts must contain original work and should include a detailed overview of the proposed presentation
- In addition to the abstract, please include a short biography on yourself (and any co-authors) – maximum 50 words
- Abstracts are to be submitted as a Microsoft word document and emailed to the N&MUMS Administration Assistant at numsexecadmin@optusnet.com.au by the closing date.

Further information about the Conference can be found on our website: www.numsociety.com.au
